

National Crime Victims' Rights Week

April 13-19, 2008

Last year, we had the privilege of hosting a week long series of events in recognition of National Crime Victims' Rights Week. There was an overwhelming response from the community as nearly 2,000 people marched for victim rights and over 900 people attended the countywide candlelight vigils to remember victims lost to violent crime. Please join me and our distinguished speakers in observing National Crime Victims' Rights Week by participating in these events to ensure "A Victim's Voice Will Be Heard".
